

Crime in first half of year up 9.2%; more cases solved

Crime in Granite City climbed 9.2 percent during the first half of 1981 over the first half of 1980, while the number of cases cleared by arrest rose 65 percent, according to a study of the monthly reports issued by the Granite City Police Department.

Despite the rise in crime, the 1,242 major crimes which occurred in Granite City in the first half of this year were less than half of the 2,529 major crimes committed in the city in all of 1980, according to last year's figures just released by the Department of Law Enforcement of the Division of Support Services, Illinois Bureau of Identification.

During the first six months of 1980, there were 1,137 major crimes committed in the city, but that figure more than doubled to 2,529 by the end of the

year, according to the FBI figures.

Arrests went from 2,217 in the first half of 1980 to 2,669 in the first half of this year and a total of 3,085 charges were lodged against persons by the Granite City police in the first half of this year, up 17 percent from the 2,635 charges filed during the first six months of 1980.

Crime increases were noted in every major category except two. Auto burglaries declined 43 percent, from 198 cases in the first half of 1980 to 113 in the first half of this year, and murder stayed at the same level with one in the first half of each year. There had been one murder arrest early last year, but none in the first half of this year.

Some of the larger increases were in rapes, which climbed 150 percent, from two cases in the first six months of 1980

to five this far this year, and robberies, which were up 54 percent, from 11 cases to 17 during the same period.

Auto theft cases climbed 35 percent, from 57 cases to 77, burglaries climbed 27 percent, from 253 cases to 321, larcenies climbed 16 percent, from 415 to 482 cases, and assaults were up 13 percent, from 200 cases to 226, all comparing the first six months of the two years.

Of the cases cleared by arrest, the largest increases were seen in robbery, up from three to seven, auto thefts, up from four to seven, burglaries, up from 39 to 51, larcenies, up from 128 to 159, and assaults, up from 177 to 196.

A total of 1,000 cases had been cleared with 438 arrests by July 1, 1981, up from 858 cases cleared with 363 arrests in the first half of 1980.

Traffic arrests were up 22 percent from 1,491 in the first half of 1980 to 1,819 in the same period this year. Including traffic arrests, a total of 2,669 persons were arrested the first half of this year, up 20 percent from the 2,217 arrests in the same half of 1980.

Two persons have been fatally injured in two auto accidents thus far in the year. The same number were killed in one fatal accident in the first half of 1980.

Injury accidents are up 22 percent, from 160 in the first half of 1980 to 195 in the same period this year.

The number of property damage accidents, however, is running lower this year than last by nine percent. There were 574 accidents in the first half of this year, compared to 634 in the same period of last year. Total ac-

cidents, including injury, property damage and fatal accidents, was 771 in the first half of this year, down three percent of the 795 in the same period of last year.

The number of persons injured in injury accidents also increased in the first half of this year, from 211 to 257.

The report noted that the police department answered 11,167 complaints during the first half of 1981.

The new FBI report on 1980 crime in Granite City shows that crime declined 7.5 percent in 1980 from the 1979 level. There were 2,339 major crimes in all of 1980, compared to 2,529 the year before.

However, with an estimated population drop from 40,700 to 36,527, the crime rate increased between the two years, the statistics show. Crimes

averaged 6,403.5 per 100,000 persons, up 3.1 percent from the 6,213.8 crimes per 100,000 persons in 1979.

The 1980 figures showed murder and manslaughter up 100 percent from 1979 (two murders to four); up 13.8 percent for aggravated assault and battery (80 to 91 cases) and rape staying the same (eight cases each year).

Showing declines in the official 1980 figures were robberies, down 16.1 percent (31 cases to 26); Burglaries, down 8.8 percent (656 to 598); thefts, down 4.7 percent (from 1,531 to 1,456), and motor vehicle thefts down 35.8 percent (203 to 131). There were 22 arson cases in Granite City in 1980. No statistics are available for arson cases in 1979.

School loans authorized at \$2.4 million

by DONNA KIMBRO

The Granite City Board of Education has approved the issuance of tax anticipation warrants in the amount of \$2,000,000 in the Educational Fund and \$400,000 in the Building Fund.

The warrants will be issued between July 15 and Sept. 15.

According to Norman Oves, director of finance, the anticipated expenses for July and August in the Educational Fund will amount to \$1,825,000 and for the same period of time \$369,000 in the Building Fund.

Board approval was also granted in a board meeting last week to Ronald Landman, maintenance supervisor, to secure an easement across property belonging to Chouteau Township for the

purpose of connecting the Mitchell School building to the new sewer system. According to Landman this will allow the board to dispose of the present sewer treatment plant, which is costing \$250 a month maintenance fee.

In conjunction with a court settlement between the school district and teachers, Harold Hillmer reported that the case had been settled on the condition that both parties would accept the court's judgment, as amended, and the School District would pay the 1979-80 teachers collectively the sum of \$59,320. He added separate checks in that amount were issued on June 28.

Arrangements to sell the student constructed homes have not materialized and the house is still being

City layoffs hit 21; more taxes sought

By GARY SCHNEIDER

The number of Granite City employees laid off has grown to 21 and the overall workforce has declined by 23 persons, including one retirement and one disability granted, city officials confirmed Friday. Additional layoffs are possible, unless there is a tax increase, according to Mayor Paul Schuler.

In addition to the layoffs detailed in Thursday's Press-Record, two firefighters have been laid off and Capt. Harvey Smallie has retired, leaving the fire department three men short.

Others laid off include four police dispatchers, three uniformed policemen (plus a disability granted to Patrolman Ed Wieseman), six in the street department, four in the inspection department and two in the air pollution control department.

The reductions in personnel are necessary for the city to get through the

remainder of the tax year without borrowing more than the \$1 million in tax anticipation warrants the city council has already authorized borrowing.

According to Mayor Schuler, who is predicting that a utility will soon be imposed by the city council, "The bottom line is we can't live the life we've been living without an increase in income to the city. That means that the services must be reduced, unless taxes are raised."

"I have always, always, felt that a utility tax is the only answer when you figure utility tax vs. an increase in property tax. People are fed up with all taxes, but I think utility tax is a fairer way. I don't propose to hit industry so very hard. I think all we should pay for the services that we demand."

Asked if he predicts the utility tax will be adopted, the mayor responded simply, "Yes," and predicted that it will be coupled with a city earnings tax in a year to 18 months.

"We are at least a year or a year and a half away from that, because we have to get the permission of the state legislature. The legislature has turned down quite a few cities, including three or four, at least, this year," Schuler said.

Asked if layoffs are possible in the city treasurer's office or city clerk's office, Schuler said, "There are going to be some changes," but said layoffs now are unlikely, at least until the city's current financial situation is straightened out.

He said the certified public accountant auditing the city's books strongly recommended last week that the city hire a full-time comptroller immediately and find someone to fill the job in purchasing and payroll formerly held by Shirley Batson, who resigned.

David Nolan, Schuler's administrative aide, has been acting comptroller, but a full-time professional is needed, according to the accountant.

Schuler said the city's current financial woes are due more to uncontrollable items than to lack of proper planning, although "a reluctance by city officials to increase the taxes," is a major cause.

"The unknown that hit us was the 1976 thing (Senate Bill 170), which allows

Walter Gerling, 79, Press-Record employee, dies in farm accident

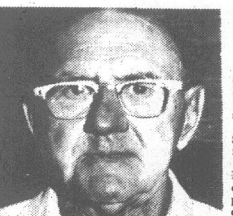

Walter H. Gerling, 79, Rural Route Four, Edwardsville, building maintenance superintendent at the Granite City Press-Record for the past 28 years, was fatally injured Sunday, July 19, 1981, when he was pinned under a farm tractor in the rear yard of his home.

Mr. Gerling apparently was moving dirt with a front loader attached to the tractor when it overturned in mud while going down an incline at his farm on Illinois 123 in rural Maryville.

He was pronounced dead at the scene by Assistant Madison County Coroner James Laughlin at 2:34 p.m. Sunday, shortly after a tow truck lifted the tractor from on top of him.

Mr. Gerling suffered massive internal injuries, the official said.

He was found by his wife, Mrs. Verna

Nameoki asks more security at park

By MARK RESSMAN

Nameoki Township officials may soon take steps to inform area legislators of improvements needed in the security and staffing of the Horseshoe Lake Recreation Area.

That was the word from Township Supervisor Harry Briggs at last week's meeting of the township board.

The discussion started when Trustee Helen Hawkins commented on an incident in which a night watchman at the park was shot at while attempting to clear the park after its 10 p.m. closing time.

"He very easily could have been killed," Hawkins said.

Frank Mehelic, township highway

commissioner, said a campsite almost completed on the south side of the lake near Bend Road was, in his mind, "a waste of the taxpayer's money." He said he thought with the current staff, it

would be nearly impossible to provide security to the campsite.

Briggs agreed that there are problems at the park that need to be

Boy is choked with a chain; police unable to prosecute

Granite City juvenile authorities say there is inadequate evidence to file juvenile court petitions against a 14-year-old boy who allegedly fastened a chain very tightly around the throat of a 12-year-old boy in the 2100 block of Grand Avenue and left him to choke.

The victim, Richard Harris of the

2100 block of State St., said he was playing on Grand Avenue when the other boy rode up on a black bike, secured the narrow chain very tightly around Harris' neck and then rode away.

Harris said he could not breathe or get the chain off, so he ran home and his mother aided him.

The mother said it took her several minutes to pry the chain off her son's neck and he was turning very pale by the time she was able to remove it.

He had recuperated by the time police arrived, but there were marks and discoloration around his neck. An

Crash blocks traffic on McCambridge

A tractor-trailer loaded with steel coils crashed into the rear of a car driven by Mrs. James (Maria) Ohlendorf, of Collinsville, formerly of Venice, at 7:20 this morning which was stopped in the northbound lanes of McCambridge Avenue at Third Street waiting to make a left turn.

The impact pushed the car across the intersection spinning it around and the car eventually jumped the curb only to have a steel coil, which had broken loose from the truck, land on the trunk of the car which caused extensive damage.

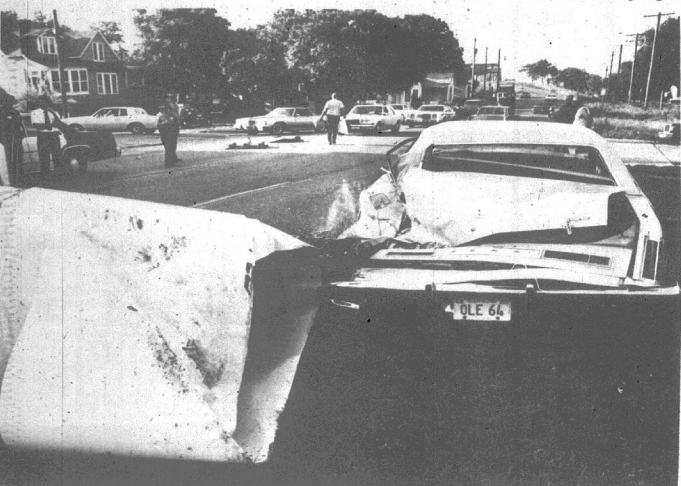

Mrs. Ohlendorf's three-month-old daughter, Jennifer, was also in the car at the time of the crash and was thrown from the front to the back seat. Neither Mrs. Ohlendorf nor her daughter was injured, but both were taken to the St. Elizabeth Medical Center by Granite City ambulance where they were examined and later released.

The driver of the tractor-trailer was not injured.

Traffic at and near the intersection was interrupted for more than an hour and a half as debris and the steel coils were cleared from the scene.

Madison police responded first to the scene and were assisted by Venice police until Illinois State troopers arrived.

Moves to end disability payments to prisoners

U.S. Senator Jack Dan-
forth, a member of the
Senate's Social Security
Subcommittee, has an-
nounced that the Bureau
of Prisons will move to cut off
social security disability
payments to federal
prisoners.

"With the so-called 'Son of
Sam' amendment in 1980,
Congress ordered an end to
disability payments to
federal and state prisoners,"
Danforth (R-Mo.) said. "It's
unacceptable that perhaps
as much as \$14 million in
annual benefits have con-
tinued to flow to federal and
state prisoners at a time
when the condition of the
social security trust funds is
forcing difficult decisions to
control future benefit costs."

In late May, a Springfield
television reporter un-
covered the fact that
bureaucratic paralysis is
protecting federal prisoners
from the Son of Sam
amendment, Danforth said.
Television of Springfield
reported that the Bureau
of Prisons had taken the
position that the federal
Privacy Act prevented it
from turning over inmate
records to the Social
Security Administration for
cross-checking against
disability payment rolls.

Danforth suggested, after
the report, that the Bureau
of Prisons administrative
action to exempt its records from the

Privacy Act. On Thursday,
the Bureau reported to
Danforth that it would
recommend proposal of a
rule to create the exemption.
After public comment on the
rule, it could be made final
and the Social Security
Administration could per-
form the simple computer
operation of cross-checking
its disability rolls with the
Bureau of Prisons' inmate
records.

"As the TV station
reported, the problem was
the familiar story of the
bureaucracy's right hand not
knowing what the left hand is
doing," Danforth said.

"Springfield is the location
of the Bureau's biggest
medical, surgical, and
psychiatric facility, housing
nearly 900 inmates. By
Social Security estimate, as
many as 3,200 federal and
state prisoners may be
drawing disability benefits."

Because the Bureau of
Prisons' administrative
rule could be challenged in

court, Danforth said, he is
giving consideration to
drawing a formal exemption
amendment to be added to
the upcoming package of
social security changes.

Danforth said the amend-
ment would insure that the
courts could dismiss quickly
any legal challenge to the
administrative rule. It also
would cut through the red
tape that social security has
found with a few states that
have their own privacy acts.

"Although I'm advised
that Missouri is able to
comply with the Social
Security Administration's
request for inmate records,
about a half dozen have legal
problems, of their own,"
Danforth said. "Because of
the higher population of state
prisons, the dollar loss at the
state level may be large.
Thoroughly clarifying
amendment would be
drafted to insure that the Son
of Sam amendment is being
implemented at the state
level, as well."

Warns against phony bills

Area businesses were
warned this week against
unwittingly paying
unauthorized invoices.
Companies have reported to
the Better Business Bureau
that they are being sent so-
called "bills" for orders
which were not authorized
by the firms.

A scheme such as this
relies on the fact that some
businesses do not carefully
scrutinize small bills.
Company accountants and
business executives should
become aware of these types
of business practices and
should on guard against
paying phony bills.

To the company's ac-
counting department, the
invoice may seem genuine
and even include the name of
the company executive as
the "authorized agent."

Before paying an invoice,
businesses should be sure
that the merchandise was
ordered by their firm. After
checking, it is found that
the order was not authorized,
the firm should contact a
U.S. Postal Inspector's of-
fice, as well as the BBB.

If a scheme, such as this, is
not reported when it is
discovered, it may mean a
substantial loss to the entire
business community. The
main basis for the success of
a scheme of this nature is
that the deception is per-
petrated on the recipient who
sometimes is not aware of
the deception committed and
it is left unreported. If a
scheme is successful, you
can bet they will continue to
work the area.

Arrest husband after incident

Larry G. Redfern, 42, of

But when officers asked if
he would comply, Redfern
allegedly answered, "No,"
and walked to the squad car
and was arrested. He ap-
peared before a judge,
pleaded guilty and was
released upon payment of a
\$35 cash bond.

Four from Niedringhaus at Methodist church conference

Four men of Niedringhaus United Methodist Church have returned from Purdue University, West Lafayette, Ind.

John North, Maurice Hemphill, Delton Groothuis and John R. Lerch were with a group of 41 men from Southern Illinois who at-

RALPH GREEN a resident of St. Louis, will serve as song evangelist at Mount Zion General Baptist Church, 2067 Benton St., Wednesday at 7 p.m. He sang with gospel quartets for 15 years and after that period of his life, Green served as minister of music at a St. Louis church. He resigned that position in 1979, and since then he and his wife became involved in full time music evangelism.

Two named to pollution board

Governor James R. Thompson has announced the following appointments and reappointments:

Members of the Pollution Control Board: Donald Anderson, Peru, former State Representative, for a term ending July 1, 1984; Joan G. Anderson, Western Springs, reappointed for a term ending July 1, 1984. Both positions require Senate confirmation and have a yearly salary of \$34,900.

Commission for Economic Development: Herbert A. Strade, Oak Brook, Sheffield Management Company, appointed for a term ending June 30, 1983. The non-salaried position requires Senate confirmation.

Special Events Commission: Nancy G. Gleason, Chicago, vice president, New Dimensions Marketing, reappointed for a term ending July 1, 1983. Gleason's reappointment is a non-salaried position and requires Senate confirmation.

tended the National Congress of Methodist Men, July 10, 11 and 12. The 5,000 men who made up the Congress were from every state in the U.S. They were housed and fed on the University Campus.

The Congress is held every four years at Purdue, using the Elliot Hall of Music as the primary meeting place. The goals are to generate enthusiasm, deepen the spiritual life and encourage creative thinking among Methodist laymen.

The Congress was led in song sessions by Bill Mann of Dallas, Texas, one of America's greatest song leaders. There were devotional periods led by George E. LaMore of Iowa Wesleyan College, and outstanding speaker who heads the Department of Religion and Philosophy there.

There were addresses by prominent Americans that included James L. Tarr, chief scout executive of Boy Scouts of America; Maxie Dennam, World Editor of the Upper Room devotional magazine published in 40

languages, and Andrew Young, former United Nations Ambassador.

Saturday the men participated in workshops and interest groups. Fifty areas of Christian and Social Interest were offered to participants, each with a leader or leaders who was outstanding in his specialty.

Bishop Roy C. Nichols of the New York Conference preached in the Sunday morning worship service. He is an author as well as being an outstanding preacher and church leader. A 250-volunteer male choir directed by Oris Baldwin of Austin, Texas, provided the choral music for the service.

In addition to the serious side of the Congress there was time for fellowship and fun. Entertainment was furnished between and after sessions and to get awake for the Sunday activities there were a two-mile and a six-mile run. John North and Maurice Hemphill participated in the competition with John placing second for his age group in the six-mile race.

CHARGE ALABAMA MAN

Billy R. Parris, 44, of Jasper, Ala., was arrested and charged with disorderly conduct at 3:16 a.m. Saturday, when police were called for the second time to the home of his former wife, Katherine Parris, 2013 Washington Ave., against whom Parris allegedly was making threats.

FIDDLE PLAYERS. Kimberly Dawn and her grandfather, Jewell Bibb, will present one of several entertaining acts at the Muscular Dystrophy Association (MDA) benefit to be held at 7 p.m. Friday, July 24, in the Granite City High School South Auditorium.

Club hears Barry Loman

Barry Loman from the Granite City Trust and Savings Bank, addressed the Hilltoppers Club of St. John United Church of Christ, on a Five Star Club program offered by the bank to residents over 60 years of age.

The group met at the church with 25 members and a guest, Mrs. Meta Bruns attending.

A program on the history of the Declaration of Independence was presented by Mrs. Etta Locklear followed by a song fest of patriotic songs and hymns with Ellen Elbert presiding at the piano.

The meeting was closed with all members repeating the Lord's Prayer. The remainder of the afternoon was spent in playing games and enjoying summer refreshments.

Elkettes past officers meet

The Elkettes Past Presidents Club met for a social evening, last week, at the Top of The Tower in St. Louis.

Those attending the summer gathering were Helen Bergfield, Ella Wade, Helen Todoroff, Bess Weiss, Gladys Gondria, Marian Willardt, Blanche Leuchter, Eupie Tarris, Lorraine Williams, Kathryn Pomeroy, Dean Graf, June Morgan and Ruby Eannino of Pittsburgh, Pa., formerly of Granite City.

The next meeting of the club will be at 7 p.m. on Sept. 22 at the Swiss Inn in Clayton, Mo., it was announced.

Woman reports man fired shot

Katherine J. Thompson, 2014 Fourteenth St., reported to police at 10:40 p.m. Friday that a 44-year-old Granite City man with whom she had been arguing had aimed a gun at her and fired a shot as she was entering her auto.

Police questioned the man who said he had set off a firecracker to scare the woman.

Several weapons and two or three firecrackers were in evidence inside the dwelling, officers said. The man had a Firearm Owner's Identification card.

Lock study funds committed

Interior Secretary James Watt has committed the Department of the Interior to adequate funding of the study that must precede authorization of a second lock at Locks and Dam 26 on the Mississippi River, U.S. Senator Jack Danforth has announced.

Danforth (R-Mo.) secured Watt's commitment at a breakfast with the senator last week. At the meeting, Danforth said, Watt told him that the department will assemble the necessary \$880,000 from four separate funds.

The money will fund a study by the Upper Mississippi River Basin Commission that is to be completed by Jan. 1, 1982. When Congress authorized the \$800 million project to replace the existing facility at Alton, Ill., authorization of a second lock was con-

ditioned on completion of a Master Plan for the Upper Mississippi River Basin. Until the study is delivered, Congress cannot consider legislation to authorize a second lock.

Danforth, a leading proponent of the replacement project, has urged the Department of the Interior to find the money requested by the Commission for timely completion of the Master Plan. Commission Chairman Rod Searle, after trimming the body's initial funding request, sought the \$880,000 that will be provided by Watt under the agreement with Danforth.

"As a proponent of replacement of the existing facility, I was pleased by Secretary Watt's appreciation of the project's importance to Mississippi River navigation and his commitment of funding that is critical to keeping a second lock on schedule," Danforth said.

After receiving the Commission's recommendations, Congress will be able to consider authorization of a second lock.

Danforth pushed for replacement of the facility because it is old, unsafe, and unable to provide speedy passage for the barge traffic.

Venice seeks grant for new community center

Venice Mayor Tyrone Echols told the Venice city council last week that the three priorities he has applied for through Community Development grants are a community center for senior citizen and youth use primarily, street improvements and a van for senior citizens.

"I have been working close with the other black mayors in our association and Community Development authorities and I think we should be at the big end of the stick when grants are made this time."

"That is why I asked for a community center. Who knows but what we may luck out and get one approved," Echols said.

He informed the council that the public hearing on Federal Revenue Sharing funds for the period of May 1, 1981, through April 30, 1982, was held just prior to the Tuesday council meeting.

At the public hearing only two citizens who were not city officials, were present. No suggestions were made for proposed expenditures. The amount the city anticipates receiving is \$98,000, which is \$5,000 less than last year. However, with funds that were not spent, the 1981-82 tentative budget is \$169,000. Details of the tentative Federal Revenue Sharing

fund projections are posted in the city hall and there have been no changes since published in the legal section of the Press-Record on Thursday, July 2.

Demolition of 'unsafe building was dropped from last year's \$15,000 to \$5,000, which is the major reduction between last year and the new budget.

"We will just have to start leaning harder on the owners to tear down or fix up their buildings," Echols said. "We will get some help from other federal programs. We still have some houses that need to be torn down, but the city can no longer afford to be in the demolition business," Echols said.

Announce Day Camp winners

The Tri-City Area YMCA has announced last week's winners in day camp sports and games competitions. The prize winners in the "Watermelon Eating Contest" were Campers Kevin Teller and Melissa Murray. Mike Hart won the "Seed Spitting" competition. In addition, "Campers of the Day Awards" were won by Eric Hill, Holly Large and J. D. Hart.

The YMCA Day Camp program meets on a weekly basis, Monday through Friday, from 8:15 a.m. to 4 p.m. at the Granite City Army Depot. Transportation is provided from the "Y" to the camp site. Daily activities include swimming (twice daily), arts and crafts, games, theme days, sports competitions and field trips.

Further information may be obtained by calling the "Y" at 876-7200.

Catholic Charities places 19 in foster homes during month

Catholic Charities, a United Way Agency, offers a variety of services to the community. Between June 15 to July 15, Catholic Charities social workers placed 19 children in foster homes.

These are youngsters who, for various reasons, are separated from their natural families. Catholic Charities works with the children, their families and the foster parents with the hoped-for goal of eventually reuniting them.

The agency currently has 95 active family cases. Eleven adoptive placements were made by Catholic Charities in the past year and there are 20 couples presently waiting for their homes to be studied, a necessary procedure prior to the adoptive placement.

Wheel chairs, hospital beds, crutches, commodes and walkers are available on a short term basis at no charge. The agency accepts for service everyone who expresses a need of any kind regardless of race or creed. Eighty-five percent of the active cases are not Catholic.

the children with their biological families. Together with the Child Welfare cases, the agency also has under care 42 unmarried parents. In these cases, the social workers endeavor to help these young people secure good medical care, housing, financial aid and counsel with them to help them reach a wise decision regarding the futures of their babies.

Marriage counseling is also offered as is individual counseling and limited emergency financial aid is given in certain instances only where there is absolutely no other available resource.

City layoffs

(Continued from Page 1)

homeowners to apply for assessment reductions to offset rising valuations. "That cost us nearly \$300,000 last year and it could be more next year, because more people have qualified. What may save us, so to speak, is a lot of those (1700s) will have been used up, so they (the homeowners whose exemptions have expired) will start paying again."

But for now, even \$300,000 would not solve the city's financial problems and things may get worse. The unions representing city employees have filed petitions seeking court injunctions to force the city to pay them their negotiated wages and find that the rollback of wages to the April 30, 1981, level is unlawful.

If those petitions are successful and the city has to pay the workers the other nine percent raises which took effect May 1, then, according to Schuler, "There will be additional layoffs. There isn't any doubt about it."

The city's financial situation and possible solutions will be discussed further by the city council at its regular meeting tomorrow night at 8 p.m. in the township hall, 2060 Delmar Ave. The public is welcome to attend all council meetings.

One recommendation expected to be made to the council soon will be by Alderman Warren Decatur, chairman of the council's sewage treatment plant committee, will be to seek bids for sludge hauling from the treatment plant to the dump. "We have the tractor-trailer with two trailers and we will just make it part of the package that they buy the truck and trailers from us and take over the sludge hauling. That way, we could lay off two

drivers," Decatur explained. He said specifications for the work would have to be prepared, so the issue probably will not be brought up tomorrow night.

He said he feels cuts should be made in the sewage treatment plant, although no men have yet been laid off. "I never said we were not going to cut manpower in that department. It should have to sacrifice like any other city department," Decatur said.

He noted that one employee of the treatment plant died, one retired last week, another is to retire in January and two men are on lengthy sick leaves. None have been replaced.

He noted that the sewage treatment plant committee met for several hours Thursday night to study a proposed budget for that department, but succeeded in shaving only \$27,450 from the budget.

He said discussions with the unions indicated that the unions would be willing to make improvements in work rules, overtime compensation, sick leave, clothing allowance and other areas to cut the budget, but only if the city would rescind the nine percent rollback of wages.

"What they are talking about is a drastic cut in the budget. The sewage treatment plant is supposed to be self-sustaining from revenues. We are proposing a budget of \$2,167,495 while revenues in this fiscal year will total about \$1,794,463. That still leaves us \$372,642 in the hole and I don't know where we can cut."

"Illinois Power has told us that the cost of electricity will be up 30 to 34 percent at the plant one year, so we had to put 35 percent more in the budget. We

just can't tell Illinois Power we are going to give them ten percent less this year than last," Decatur stated.

He noted that in just one section of the plant, electricity cost \$52,000 last year. A total of \$294,600 is reserved for electricity in the latest budget proposal, which is the sixth revision of the budget, thus far.

Decatur said the original budget package presented to the committee did not include repayment of \$155,525 borrowed from the general fund on \$30,823 borrowed from sewer particular area number two. "That's one thing I insist on. That money was borrowed and has to be repaid, so it has to be in this budget," he stated.

Last year, the treatment plant budget totaled \$1,636,211 but made no provisions for repaying the outstanding loans to other city accounts. "If we could get back in that ballpark and still repay the loans, we would have it. Instead, we are at \$2,167,495 and don't know where to cut," the alderman stated.

He noted that the possibility of increasing sewage treatment rates was discussed briefly by the committee and may have to be discussed again, but cutting manpower seems like the only way to save the kind of money needed to bring the treatment plant's expenses into line with its income.

He noted that each employee, with salary, insurance and fringe benefits, costs the city approximately \$28,000 a year. Contacting certain operations, such as sludge hauling, to private firms may be an answer to some of the problems, he noted.

She had been ill one year and in the hospital 3 1/2 weeks.

Mrs. Hundley was born and reared in Venice, where she lived for 38 years. She had resided the past 12 years in Indiana and prior to that time had lived in Mount Clair, Calif., for about 12 years.

Among the survivors are her husband, Harold A. Hundley; and one brother, Harvey Hill of Madison.

Services will be held at 12:30 p.m. Tuesday, July 21, at Lahey Funeral Home Chapel, 501 Madison Ave., Madison, with the Rev. Charlotte Zachary officiating.

Burial will be in Mount Olive Cemetery, Mount Olive, Ill. Friends may call after 3 p.m. Monday.

Mary Nonn

Mrs. Mary A. (Nicol) Nonn, 65, of Granite City, died at 1:30 a.m. Sunday, July 19, 1981, at St. Elizabeth Medical Center, where she had been a patient one week. She had been ill two years.

Mrs. Nonn was born in Glasgow, Scotland, and resided here 53 years. She was a clerk at Hub Drugs for 22 years before retiring Sept. 19, 1960.

Surviving are her husband, Clarence Nonn; two daughters, Miss Mary Margaret Nonn of Granite City and Mrs. Norma Marshall of Los Angeles, Calif.; a son, Russell Nonn of Troy; two sisters, Mrs. Catherine Smith and Mrs. Georgina Teller, both of Granite City, and three grandchildren.

Funeral services will leave Pieper Funeral Home, 1929 Cleveland Blvd., at 9 a.m. Tuesday, July 21, for St. Joseph Catholic Church, 2101 State St., for 9:30 a.m. mass. Burial will be in Calvary Cemetery, Edwardsville Township. Visitation will be after 2 p.m. today at the funeral home and the Rosary will be recited at 7 p.m. today.

Raymond Scott

Raymond H. Scott, 81, of 1821 Primrose Ave., an Army veteran of World War I, died about 4:30 p.m. Thursday, July 16, 1981, at St. Elizabeth Medical Center.

Additional details may be found on Page One.

Walter Gerling

Walter H. Gerling, 79, of Rural Route Four, Box 266, Edwardsville, building maintenance superintendent for the Granite City Press-Record for the past 28 years, was fatally injured in a farm tractor accident shortly before 2:30 a.m. Sunday, July 19, 1981, at his home on Illinois 162 in rural Maryville.

He was pronounced dead at the scene by Assistant Madison County Coroner James Laughlin at 2:34 p.m. Sunday.

Additional details may be found on Page One.

Mrs. Anson dies today

Mrs. Angeline Anson, 92, a former longtime Granite City resident died at 7 a.m. today, July 20, 1981, at the Charles Spill Hospital in Jefferson City, Mo.

Her husband, William P. Anson, owned and operated a real estate office at 19th and State streets until he died in 1926. Mrs. Anson continued to operate the business until she moved from this area.

Survivors include a son, William Anson and a daughter, Margaret.

Friends may call at Davis Funeral Home, 21st Street and Cleveland Boulevard after 7 p.m. Tuesday, where funeral services will be held at 9:30 a.m. Wednesday, July 22. Burial will be in Calvary Cemetery.

BICYCLE STOLEN

A chrome and blue boy's bicycle, valued at \$175, was stolen from a garage at 2138 Ohio Ave., it was reported last week by John Powers, 2212 Illinois Ave.

Boy choked

(Continued from Page 1)

officer tried the chain on the boy's neck to determine how tight it had been and the policeman said he could not make the ends of the chain work without using quite a bit of force.

The juvenile who allegedly put the chain on Harris has a lengthy arrest record for thefts, assaults, burglary, alcohol possession, prowling and numerous cases of criminal damage to property, including tire slashings.

"He has a tendency to be a delinquent," Juvenile Officer Dusan Gagich commented, adding, "He has

been constantly in problems—constantly involved." He said the boy has spent some time in the juvenile detention home, but most of the time he is free to violate curfew, steal and damage property, he strongly indicated.

Gagich noted, however, that this is the first time the youth has been charged with attempting to seriously harm another person. He allegedly chased one other boy with a bat, but was not charged.

Asked if he felt the attempted choking was indicative of a turn toward violence in future crimes the youth may commit,

Gagich said only, "Who can say? Who can say?"

Time will tell. The victim says he did not get a good enough look at the boy who put the chain around his neck and an eyewitness who witnessed the incident says he "cannot positively identify the attacker." "We just can't make the case," Gagich explained, adding the prediction, "We'll have him again soon. That's for sure."

One positive note, Gagich said he absolutely will not release the chain to the 14-year-old so the delinquent can use it again to try and choke the same or another neighborhood boy.

Woman allegedly sprays chemical

After a disturbance in the dining lane and parking area at Jack-In-The-Box restaurant, 3330 Nameoki Road, at 12:35 a.m. Sunday, a woman allegedly sprayed chemical in the fridges were arrested and charged with battery. The incident started when Michael L. Ireland, 31, of Rural Route 4, Box 266, began arguing with another customer in the drive-up window lane and allegedly struck the man and kicked him, according to an off-duty officer at the scene, who said he was also pushed and threatened by Ireland from interfering.

Christine L. Ireland, 28, of the rural route address, allegedly pulled the hair of a woman in the second car and sprayed her with a chemical device.

When police arrived at the scene, Ireland reportedly continued to make threats and refused to cooperate. He was charged with battery and disorderly conduct.

Christine Ireland was charged with battery. A chemical spraying device, called "Shield," was confiscated.

\$9,000 in fire damage

Fire caused an estimated \$9,000 damage to the home of Jack Lee Poe, 39 Briarcliff Drive, at 12:55 a.m. Friday. The fire started in a furnace room. The cause is under investigation, but overloaded electrical circuiting is suspected. The loss included \$6,000 to the building and \$3,000 to its contents.

Granite City firefighters were on the scene for one hour and 15 minutes.

News notes

Citizens for Quality Education of Belleville group frequently critic of Dr. Bruce Wisore, acting president of Belleville Area College, says the North Central Association, accrediting group is studying its complaint. Wisore is one of seven finalists for the presidency. CQE alleges loss of academic freedom for the faculty and administration, dangerously low faculty morale, questionable administrative and board procedures, and "loss of credibility for the total college within the community."

The fair held on the St. Louis riverfront July 3, 4 and 5 was a financial success and will be held again in 1982.

A fourth round of state governmental budget cuts is being ordered by Gov. James R. Thompson.

The federal government has alerted Army Reserve and National Guard units to transport mail if postal workers go on strike at midnight tonight. Negotiations have failed to produce a new pay agreement.

HELD PENDING BOND

Frank N. Noblin, 20, of 1213 Calhoun St., Venice, was being held in the Venice City jail pending the posting of \$10,000 bond. Noblin has been charged with battery, allegedly for striking Clyde J. Leonard on Sunday, July 19. In addition he is charged in a warrant for failure to appear in court on May 8 on a charge of leaving the scene of an accident.

Pielet Brothers withdraw plans for scrap yard

After all the zoning battles, petition drives and city council debate which resulted in Pielet Brothers withdrawing their plans for a scrap yard and metal processing M-2 heavy industrial zoning to operate a scrap yard and metal processing plant on Route 3 south of the Shawnee Bottling plant, the company has decided not to operate here.

KING ENLISTS

Daniel Joseph King, son of Mr. and Mrs. Julian King, 2529 North Bridge, has enlisted in the U.S. Air Force, according to Sgt. James D. Nickles, Air Force representative at 3675 Nameoki Rd. Upon graduation from the Air Force's six weeks basic military training, he will receive training in the general aptitude area. He is a 1961 graduate of Granite City High School North. He will be earning credits toward a two-year Associate in Applied Science Degree through the Community College of the Air Force while attending basic and other Air Force technical training schools.

The company has notified local authorities that it is no longer interested in purchasing the property located here. No reason was given for the withdrawal.

The property will remain zoned M-2 and that classification was carried over to the city's new zoning map which is to be considered by the city council for adoption in the near future.

AUTO BURGLARY

A cassette stereo radio, two Pioneer speakers, valued at \$120, and a wallet containing a driver's license and papers were stolen from an auto belonging to Phillip Adams of Granite City, while the vehicle was parked at 22nd and Adams streets, it was reported at 9:10 a.m. Friday.

All four tires on the auto had been cut, the owner said.

LAWN MOWER GONE

A lawnmower valued at \$299 was stolen from the rear yard at the home of Lovie Williams, 2620 Sunset Drive, she reported at 12:40 p.m. Friday.

Two honored as Chevaliers

R. David Harley and Geoffrey D. Wofford of James Stuart Chapter were among four from Southern Illinois to receive the coveted DeMolay Chevalier Degree, at the Franklin Masonic Temple, 1513 Washington Ave., Alton, on Saturday evening, July 18, at 7:30 p.m.

David, a son of Mr. and Mrs. Robert E. Harley and Geoffrey, a twin son of Mr. and Mrs. Robert Leo Wofford, were designated to receive the Chevalier Degree by the International Supreme Council in Cherry Hill, N.J., in April.

The Chevalier Degree is the highest honor that can be granted to an active DeMolay for outstanding and marked DeMolay activity and labor. The recipient must be 17 or older. The degree cannot be applied for and the nomination is made without the knowledge of the DeMolay who is honored.

The representatives DeMolay Ceremony was also given that evening as well as the officers of the James Stuart Chapter Order of DeMolay being installed in a public ceremony with Jeffrey D. Grills as Master Councilor Elect. Jimmy K. Stuart of local chapter will be presented with the Representative DeMolay award which is the highest self achievement that a DeMolay may earn.

Suspect arrested in Pontoon Beach

The arrest of a Maryville man in Pontoon Beach has resulted in the clearing of an Edwardsville burglary which occurred last week. Police from five departments were involved in the arrest, including Pontoon Beach officers, Gary Lee Askwew, 21, Maryville, has been charged with burglary and was lodged in the Madison County Jail in lieu of \$35,000 bond.

A second suspect was dropped off in the Lakeview Estates subdivision of Pontoon Beach, along with a television set taken from the home of Robert Ruhl near Ginger Creek subdivision Tuesday afternoon.

Mrs. Joann Ruhl said she returned home and discovered a man loading her family's possessions into a pickup truck. Another man was hiding in the truck seat and was seen sitting up as the truck sped away from the home.

Police followed the truck to Interstate 270 and broadcast a description of the truck and its two occupants to all area police agencies.

The truck turned south on Route 111 and Pontoon Beach officers spotted it about one-eighth of a mile south of the interstate. What appeared to be a television antenna was seen sticking up from the bed of truck, officers said.

Arrested after trash can is thrown through window

Donald D. Dawson, 20, of 2323 Nameoki Road, was charged with criminal damage to property, aggravated assault and resisting arrest after he allegedly threw trash can through a large front window at Kozay's Market, 2600 Nameoki Road, and then resisted attempts by police to arrest him.

Witnesses said two men were in front of the grocery when one picked up a trash can, threw it through the front window and the two

walked toward Kirkpatrick Homes. Police stopped near the two at East 25th Street and Nameoki and alleged that Dawson refused to stop, saying police would have to shoot him to get him to stop.

He then allegedly ran and was chased by Patrolman Jerry Duncan. Dawson allegedly picked up a brick and swung the brick at Duncan and Sgt. Glen Wright. The officers were able to subdue him and arrest him.

Dawson was taken to St. Elizabeth Medical Center, but refused treatment and was jailed. The other young man with him was released without being charged.

Batteries stolen, man is arrested

Gerald L. Sloan, 22, of 2005 Skeen St., Madison, was charged with two counts of criminal trespass to a motor vehicle, two counts of criminal damage to property and one charge of reckless driving following incidents early Friday in Kirkpatrick Homes.

Police were told an auto burglary was in progress in the Charles Street parking lot of the housing project. As officers turned off Edwards Street onto Charles, the squad car ran head-on into an auto being driven on Charles Street. Without headlights. There was minor damage to both vehicles.

Sloan, who was the driver, was arrested and the car was searched. Two auto batteries were found on the floorboard with severed battery cables attached, police alleged. Also in the auto was a pair of wire cutters with pipes attached to the handles to extend them in the car.

Donna Houser, 3011 Kirkpatrick Homes, said the battery cables of her auto had been cut and the battery stolen on the lot in the 3000 block of Kirkpatrick Homes and Barbara Island, 705 Kirkpatrick Homes, said her battery had been stolen while her car was on the Charles Street lot.

Sloan was lodged in jail.

Driver strikes parked vehicles

Sherri L. Walton, 1718 Garfield Ave., sustained injuries at 12:30 a.m. Sunday, when the 1979 auto she was driving struck two parked vehicles in the 3400 block of Illinois Avenue.

Miss Walton was taken by ambulance to St. Elizabeth Medical Center and treated for a laceration to the forehead, caused when her head struck the windshield. She had skull X-rays taken and no fractures were found.

The motorist said she was driving north on Lydia Lane when she lost control of her vehicle and swerved to the yard of Al Delay, 3411 Lydia Lane, striking a 1978 pickup truck parked in the driveway.

The Walton auto then bounced off the pickup and struck a 1980 Firebird belonging to William Niesner, 3411 Lydia Lane, which was parked at the curb.

Miss Walton was charged with reckless driving.

'81 March of Dimes queen contest starts

By VALERIE EVENDEN

of the Press-Record

Nine candidates already have registered for the 1981 March of Dimes Queen Contest. It was announced this week by the Metro-East CB Clubs organization, which is sponsoring the event for the second year.

Among the contestants is Gwendolyn Stratton of Granite City.

Prospective candidates still may register for the contest.

Climaxing the competition will be a coronation ball at 8 p.m. Oct. 23, at American Legion Post 130, located on St. Louis Road, Edwardsville.

Information and further details may be obtained by calling Barbara Downing, project director, at 1-282-9362 or 492-0888.

Any single girl 13 years of age or older may enter the contest. She is required to

have a sponsor, which may be any area club, group or organization, Mrs. Downing explained.

A candidate does not have to be a Ciber, nor does the sponsoring group have to be a CB affiliated, she said.

An orientation tea is planned for the contestants from 2 p.m. until 4 p.m. Sunday, July 26, at Eden Village in Glen Carbon.

Winner of the contest will be the candidate raising the most money for the March of Dimes, who will be crowned queen at the coronation ball.

Among the gifts the queen will receive are \$200 cash, a \$100 U.S. Savings Bond, a crown, scepter and ribbon, a carver with a tape deck and radio, a 12-inch television, wristwatch, luggage, digital clock radio, perfume, jacket, candles and gift certificates.

At the present time, the candidates are arranging various projects, such as

bake sales, car washes, dances and selling tickets for the ball, to help raise funds, Mrs. Downing said.

She urged the public to support these efforts and stressed that all proceeds are contributed to the March of Dimes.

Last year's winner was Miss Patsy Forrester of Collinsville.

In addition to Miss Stratton, the candidates include:

Rhonda McCartney and Cindy Ogilvie, both of Collinsville; Martha Arkins of Jerseyville; Lori Trochler of Edwardsville; Sheri Lyn Naugle of Holiday Shores, Edwardsville; Kelly Wilson of Belleville; Rebecca Stille of Alhambra and Patricia Wolz of Waterloo.

Presiding as king at the coronation ball will be Jason Cook of Godfrey.

Deanne Savoca of Holiday Shores will serve as page.

therefore local residents should contact Williams to determine the payment level for their area.

"We are placing special emphasis on assistance to the elderly and the handicapped with medical conditions such as heart disease, stroke, skin disease, diabetes, heat exhaustion and other conditions which can be alleviated by cooling facilities," Wolf said, "since these groups are frequently the hardest hit with high energy and medical bills."

"One time individual household assistance payments may range from \$100 to \$1,000," Wolf said, "and are based on income and geographic location."

Representative Wolf cautioned that these assistance amounts represent statewide figures.

Guest pastors at Bethel AME

The Rev. Robert L. Bailey, pastor of Shiloh AME Church, East St. Louis, will deliver the message at 7:30 p.m. Friday, July 24.

Madison schools to buy driver education cars

Madison School District 12 may be buying driver education cars next year instead of leasing them as they have in the past.

At Thursday night's school board meeting, board members were informed that Big Four Chevrolet, the company from which the district has previously rented the cars, is discontinuing the driver education program.

The company also informed the board that many school are planning to purchase the cars and keep them for several years. Superintendent of Schools John Palchiff suggested that the possibility of purchasing a van be examined, as such a vehicle also could be used for other purposes, such as sports, activity transportation.

Board members agreed that all channels of obtaining cars would be explored.

Paul Bargiel and Donald Garrett will serve as voting delegates for the Illinois Association of School Board members during the Nov. 3 election of officials. Bargiel will serve as delegate, and Garrett will hold the position of alternate.

It also was noted that the auditorium stage curtains are now hanging in the high school gym. Mrs. Billie Bosworth commended the Mother's Club and the Boosters Club for their efforts in raising funds for the new curtains.

The board also voted to rehire four of the five teachers it had laid off at the end of the last school year in making faculty reductions.

Those re-employed are Norma Reeves, Barbara Cox and Georgia Stawar.

The Madison County Community Development Board Grant Application for 1981-1982 was accepted for review by the Chicago Area Office of the Department of Housing and Urban Development.

It is available for review upon request at the Madison County Community Development Department, 130 Hillsboro, Edwardsville, Illinois, (618) 692-2222.

Triplets crise in the 'big one'

By PETE HAYES
Sports Editor
of the Press-Record

COLLINSVILLE — Eldon Warfield stood along the third base line. The candles were being blown out at Collinsville's dimly-lighted Fletcher Field. But he didn't mind. His team had finally won the big one.

All season long Tri-City Triplets had choked in the big games. Against the also-rans and the tough non-District 22 opponents, they did fine. But time after time, when it was for all the marbles, they lost. To Alton

twice. To Edwardsville once. To Highland. To Marissa. And earlier this season, to Collinsville 6-2. But not this time. With third place and an automatic berth in next weekend's double-elimination North Division playoffs on the line here Saturday night, the Triplets came through with shining colors with a 7-3 victory.

The win gives Tri-City a final regular season District record of 14-8. Collinsville, which finished 13-9, will enter the single-elimination playoffs tonight at home against East Alton.

The first three innings, it

was easy to see why the two teams finished the regular season in a virtual dead heat. Both defenses looked as if they were cast in the same mold—one that had a crack in it.

Collinsville committed six errors in all. Tri-City had four. "The fielding wasn't the best, but we overcame it," said Warfield. "They (Collinsville) had their chances to win it but we came up with the key plays."

The one "key play" Warfield was talking about in particular came in the fifth inning. With Tri-City leading 7-3, Collinsville

loaded the bases with nobody out against pitcher Kevin Cripps, who had come on in relief of starter Steve Dwy who developed stomach cramps. After getting getting Rod Woods to pop out to shortstop Dan Patterson, Cripps got the next batter, third baseman Rod Blumner, to ground it to Patterson, who stepped on second and flipped the ball over to first for a 6-3 double play to get the Triplets out of the inning. "That was the play of the game," Warfield said. Dwy had looked almost

awesome after the second inning. But his illness forced Cripps into the game.

If Warfield thought things evened out, Collinsville manager Fred McClary thought just the opposite. In fact, in a post-game interview, he dubbed the two umpires "Anticipation" and "Little Bluebird."

"Give me \$20 and I'll go home," he said of the umpires' attitudes.

McClary was referring to a couple plays at second base. In the second inning, Collinsville came back to tie the game with two runs. A pair of errors by Patterson

and a stolen base scored Kent Parker. A long single scored Steve Blumner. But Dunaway was called out at second. "That was a pitiful call," said McClary.

"Everybody except the umpire saw he was safe. That play took the heart out of the kids."

"Every coach says that when they lose, but those guys don't know a baseball from a basketball."

Tri-City got on the board in the first inning with a single run. Kevin Sykes led off with a single. Then John Linhart forced Sykes at second but

was safe on the relay throw. He advanced to second when the throw went wild. Patterson singled Linhart to third and Bob Ford lofted a sacrifice fly to centerfield.

In the second, Rick Daily led off by smashing a double to leftfield. When the Collinsville left fielder couldn't come up with it, Daily went to third. An error on the third baseman on a hit by Darren DePew brought in the second run.

In the third inning, Tri-City scored four more times. The big hit was a two-out single by DePew that scored

Ford, who had walked, and Daily, who had singled and stolen second. "Darren's the best catcher in the area," said Warfield of the young receiver who'll be a junior at Granite City North High next fall. "He hasn't been hitting all that well for us this summer, but when we needed him tonight, he came through."

Warfield then remembered Tri-City's earlier loss to Collinsville and something McClary had said. "The best team won tonight," Warfield said. "If he can say it, so can I."

Hoover wins first

By JEFF EAVES
for the Press-Record

GRANITE CITY — The "Fulton Flash," Ronnie Hoover of Fulton, Mo., captured his first 20-lap feature of the year at the Tri-City Speedway in the limited late model stock cars Saturday night.

Hoover, who is a rookie this year, started on the front row outside and took the green flag on the opening lap. He led every lap for the win. Hoover also made a clean sweep for the night as he won his heat and the trophy dash.

At the finish in the 20-lap feature, Hoover was followed by Rob Jones of Creve Coeur, Mo., Mike Cooksey of Central, Ill., Mike Null of St. Louis, Mo., Cecil Lyons of Virginia, Ill., Rod Bailey of Granite City and Tom Utley of St. Louis.

Null won the first ten-lap heat race over Bo Smith of St. Charles, Mo., Tom Utley, Cecil Lyons and Ron "Wet Willy" Bailey. Hoover won the second ten-lap heat over Mike Cooksey, Bryan McIntosh of St. Louis, Kevin Rainwater of Granite City and Randy Weeks of Granite City.

Hoover then won his second race of the evening as he led all the way to win the six-lap trophy dash. Hoover was followed by Bo Smith, Mike Null and Mike Cooksey.

game at dimly-lighted Fletcher Field in Collinsville. Tri-City's Kevin Sykes slides into second in an attempt to break up the double play. He did — Miller's throw was wild.

Missouri 'walks' to easy win

ST. LOUIS — In a "walkathon" of sorts, the Missouri District 10 American Legion All-Stars cruised to an easy 18-3 victory over the Illinois District 22 All-stars here Friday night at Heine Meier Field in South St. Louis.

Of all the stars the Illinoisans had on their roster, they had a hard time finding a pitcher who could get the ball over the plate. In all, Illinois pitchers gave Missouri batters 12 walks. But Missouri was able to come up with the clutch hits after the runners were safely on base.

Tri-City's Keith Burton was the losing pitcher in the fiasco. But he actually gave up only two runs, even though the pitcher who came on in relief for him in the second inning (East St. Louis' Dwight Holly) allowed two more to cross the plate that Burton was charged with.

To his credit, Burton was lucky to even be on the mound (or was he?). After working since 4 a.m. Friday as a sandblaster, and pitching 13 innings during the week, he could barely lift his pitching arm. "It's sore from here to here," he said

pointing to his shoulder and his wrist.

Missouri scored four runs in the second inning, 13 in the third and one in the seventh of the nine-inning affair that was played in front of a near packed house.

Illinois scored its only runs in the first, second and fifth innings. In the first, Edwardsville's Bob McManus doubled with two out, went to third on a wild pitch and scored when Freeburg's Tim von derderlen reached on an error by the Missouri catcher.

In the second inning,

Alton's Pat Morrissey doubled leading off. He went to third on a passed ball and scored when teammate Darin Jones doubled. But that was all the Illinoisans could get in the second frame.

The run in the sixth came when Tri-City's Bob Ford walked. He went to second on a fielder's choice and to the third on a single by teammate Dan Patterson, also from Tri-City. He scored on a wild pitch.

The victory for Missouri gave the team revenge for last year's 13-2 Illinois rout.

Collinsville does job on Belleville

By Jeff Wilson
for the Press-Record

BELLEVILLE — The last day of the regular season was pretty hectic for Collinsville's American Legion baseball team. Two make-up games. And both were crucial. Collinsville did what it had to in the first game Saturday afternoon against Belleville. It beat the Hilliards 9-1 to set up the final showdown Saturday night at home against Granite City's Tri-City Triplets. That one didn't turn out so good. Granite City cruised to an easy 7-3 victory and nailed down the third place position in the final North Division standings and assured itself of a spot in the double-elimination District 22 playoffs which begin next Friday (see related story above).

In other Saturday District 22 action, Cahokia played itself out of a chance for third place in the South Division by losing to Highland 3-2, even though Cahokia came back to beat Freeburg 9-7 later the same day. It finished one game behind Belleville in fourth place. East St. Louis beat Fairview Heights 10-6, Waterloo drubbed East Alton 11-4, Marissa edged Alton 4-3 and Highland beat Bethalto 7-6.

Sets up crucial showdown with T-C

Jeff McDaniel's three-hit pitching and a staunch defensive game by center fielder Alan Cooper led Collinsville to its win over the Belleville Hilliards 3-1 Saturday afternoon at Citizen's Park.

"It's one of the best games I've pitched this year," Collinsville coach Fred McClary said of McDaniel. McDaniel discounted McClary's statement.

"This was a good game, but I've pitched better. I had too many walks. Nothing came easy," McDaniel said after raising his record to 4-3.

The Collinsville win raised its record to 13-8 and made Saturday night's game against Tri-City a must win. "If we win tonight we're in fourth," McClary said. Post 365 lost to Tri-City 7-3.

McClary and Collinsville might not have been looking forward to Granite City, had it not been for a great defensive effort by Cooper in the second inning.

With men on first and second and one out, Belleville designated hitter Kevin Sisk hit an 1-0 pitch, deep to center field that Cooper ran far to get, and made a sliding catch. He up, and relayed to Todd Miller, who tossed to Kent Parker, for an inning-ending double play. Instead of two runs scoring, no Belleville runners crossed home.

"It's one of the biggest catches I've made all year," Cooper said. "I just kept going back and trying to get under it."

McClary was almost immediate to elicit praises of Cooper. "Cooper is just outstanding. I've seen a lot of center fielders, but in the last two years for the Legion, last year with Vince Plante and this year with Cooper, I haven't seen better."

"For defense," McClary said, "he's one of the best." This game was the third time the two teams have tried to play. The two previous times rain postponed.

Moore getting 'kicks' out of Soccer for Fun

By TERRY MACKIN
of the Press-Record

GRANITE CITY — Painted on the outside of a large building located on Highway 111 in Granite City are the words "Soccer For Fun." A large soccer ball is close by.

Inside the building, The Great Indoors Soccer Tournament is in full swing. Two teams of boys aged 14 and under are fighting for a trophy that represents the right to wave a "number one" sign.

In the bleachers that surround "number one" the turfied playing field, several middle age fans cheer for their team. A few young girls skip in front of the bleachers, watching the action through the fiberglass that is between the field and fans.

Outside of the playing area, hamburgers, potato chips, sodas are being consumed as quickly as the young soccer players are running. Only the bodies are a bit more wrinkled.

Mike Moore could not be happier. Just over three months ago, when Moore left his job as placement director at Belleville Area College to become soccer coordinator at Soccer For Fun, he did not know what to expect. But he was willing to take the chance.

His office is a mixture of schedules, calendars, soccer jerseys, names, and a few trophies from Belleville Area College, where Moore is still the head soccer coach. A bulletin board above the desk is covered with even more schedules and rosters for league that fill the building seven days a week, twelve months a year.

"I knew it would take time for the place to establish itself, but I really didn't think it would happen this fast. We're starting to get a lot of teams to come over from St. Louis to play in tournaments, and that really helps."

"Word of mouth is the best way to advertise the place, and we have been getting some very positive results."

Moore says that he has seen most of the other indoor soccer facilities in the St. Louis area, and rates the Granite City facility as one of the best.

"It is much easier to start a business in a building from scratch where this place was built with the intention of indoor soccer, most of the other places are conversions from other types of businesses."

"But playing-wise, from the responses of players, our facilities are much easier to play on. We have had few complaints."

Moore feels that indoor soccer is rapidly growing nation-wide, and not just in the St. Louis area because of the emergence of the Steamers.

"Our own clubs are spreading nationwide, so there must be a growing interest in the sport."

But he does feel the Steamers have played an important role.

Moore said when the Soccer For

Fun Facility first opened, many of the Steamers players were on hand for various camps and clinics. Don Ebert, Danny Vaninger, John Siremlau, and Greg Makowski have all been in Granite City, sharing their knowledge of the sport.

He also cited the possibility of having Steamers' goalie Shio Iljevski on at the facility in the near future for a goalie clinic.

"Nothing is definite now, but it is a very good possibility."

There are leagues for everyone at the Soccer For Fun. Boys and girls, from age ten and under to 16 have various leagues and tournaments to choose from. In the senior men's and women's classification, there are leagues for players age 17 and over and a men's 30 and over league. Moore plays in the 30 and over league.

"There are some pretty big names in that league. Pat McBride, Bob Kehoe (Granite City North coach) and Dave Sorber (Flo Valley head coach) all play."

But the classic league is on Tuesday nights when women over age 25 have one hour to display their soccer talents.

"Most of the women are from the Granite City area, and have never played soccer before. I take the first half hour for instructions, and then let them use the second half hour for games. So far, it has been just great. The ladies are really willing to learn. Most have been playing soccer all of their life, and are now getting the chance to play."

"Tuesdays are really an enjoyable night."

And since the Soccer For Fun in Granite City has been successful, there are plans to expand the upstairs of the building.

"Nothing is official yet, but plans have been to put a shop upstairs

which will be like a sporting goods store. We are also thinking along the lines of a full-sized bar."

"We get a lot of fans during tournaments, and we would like them to stay even when their teams are not playing."

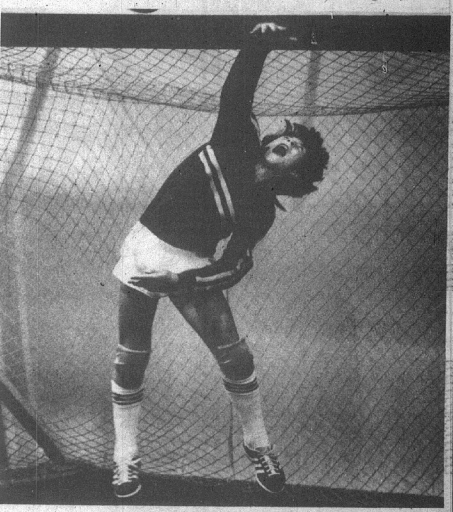

So while Moore was uncertain of his new job at first, he is very confident now.

"I am very glad that I made the

move. Everything is going the way that we hoped that it would when we opened."

"And maybe a little bit better. We planned to close the facility for three weeks in July, thinking that business would be slow. But response has been so great that we haven't thought of locking the doors yet."

"Soccer For Fun." A way for Mike Moore to make a living.

TALYANA'S GOALIE TIPS BALL

TALYANA'S SCOTT BASON (L) GOES FOR IT

Illini look forward to coming cage season

CHAMPAIGN — The technique may be different, but the outcome will hopefully be the same for the University of Illinois basketball team in 1981-82.

Gone from last year's 21-8 team that reached the third round of the NCAA playoffs is the entire starting front line. Six-eight forwards Eddie Johnson and Mark Smith and 6-11 center Derek Holcomb all were chosen in the first three rounds of the NBA's draft.

With talent like that, the Illini have been an inside dominated team for the past three years. But now the Illini will make a switch, changing the emphasis from the inside to the outside.

"We have a lot of talent coming back at guard, so naturally we want to take advantage of it," said Illini head coach Lou Henson. "Even though the guards might be doing more for us next year, it won't mean

we've changed our philosophy. We still want them to take the high percentage shot, protect the ball, rebound hard and play good, tough defense."

The nucleus at guard is made up of seniors Perry Range and Craig Tucker and sophomore Derek Harper. Juniors Kevin Bontemps and Quinn Richardson provide ample bench strength.

"We want to see if we can get the ball off the boards, the get it down the court," Henson said. "We've done a pretty good job of it the last couple of years (The Illini led the Big Ten in scoring the last two seasons), but we still need to work on it."

The responsibility of igniting that fast break will fall on 6-10 senior center James Griffin. The slim Texan split time in the pivot with Holcomb the last three years, so experience is no problem.

"Griff just needs to be more aggressive," Henson

said. "He made real good progress last season, but now that we're asking him to go 35 or 40 minutes a game, he's going to have to become more consistent. I think he'll surprise a lot of people."

At forward, 6-10 senior Bryan Leonard will get first crack at a starting spot. He was the top forward off the bench last year, but will likely see action as a back-up to Griffin as well.

The other forward candidates are all freshmen: Jay Daniels (6-7, West Palm Beach, Fla.), Dee Maras (6-7, Antioch, Ill.), George Montgomery (6-8, Chicago, Ill.) and Anthony Welch (6-8, Grand Rapids, Mich.).

"It's very difficult for a freshman to come into the Big Ten and play right away," Henson said. "We'd like to bring all of them along slowly, but we don't really have a choice. We're going to have to play two or three of them quite a bit. We'll just wait and see who shows us

the most in the fall and go with them."

PLAYER SKETCHES — KEVIN BONTEMPS (6-1, Jr., Morton, Ill.) — Two-time letter winner, part-time starter at guard as frosh, excellent ball handler and passer, good outside shooter.

Appeared in 30 games as frosh, 19 last season, a high school all-American pick by Basketball Weekly and Converse. Father (Ron) played on 1952 gold medal winning U.S. Olympic basketball team.

JAY DANIELS (6-7, Fr., West Palm Beach, Fla.) — First-team all-stater in Florida last year, averaged 24 points, 15 rebounds and five assists a game as senior, shot 52 percent from field and 78 percent from free throw line. Grew up just four blocks from Derek Harper, but attended high school in neighboring Lake Worth (John I. Leonard HS).

Mentioned on several all-America squads.

JAMES GRIFFIN (6-10, Sr., Grandview, Tex.) — Illini's most experienced player coming back, he's shared time in the pivot with departed Derek Holcomb for last three years, outstanding scorer, he's going to spend summer working on his defense, good leaper, he had 34 blocked shots last year and 37 the year before, Illini have won 17 of last 18 games in which he's scored in double figures.

DEREK HARPER (6-4, So., West Palm Beach, Fla.) — Named to all-America freshman teams chosen by NBC-TV and ESPN, set school records for most assists in a game (12, twice) and season (156), honorable mention all-Big Ten pick, second in conference in assists, excellent ball handler, he's the player that directs the Illini's offense, one of top defensive guards in league, too.

BRYAN LEONARD (6-10, Sr., Belleville, Ill.) — The top forward off the bench last season, appeared in 25 games averaging two points per outing, extremely intelligent, good leaper, came back last season after sitting out 1979-80 season with torn hamstring, has two seasons of eligibility left, will get No. 1 shot at open forward spots.

DEE MARAS (6-7, Fr., Antioch, Ill.) — A rugged hard-nosed player who helped lead Antioch to the state tournament and 23-6 record, leading scorer, rebounder and MVP of Northwest Suburban League, averaged 20 points and 11 rebounds a game, shot 56 percent from field and 60 percent from line. Will play on AAU Junior Olympic team in China this summer.

GEORGE MONTGOMERY (6-8, Fr., Chicago, Ill.) — Called by many experts as the top rebounder in college, averaged 15 points and nine rebounds for Corvus

team that was 21-7, was team's MVP two straight years and a second-team all-Public League selection last spring, shot 54 percent from field and 72 percent from free throw line.

PERRY RANGE (6-4, Sr., South Beloit, Ill.) — Could very well be the top defensive player in the country, counting anybody at any size, two-year starter, showed good scoring punch last year with nine points a game, has shot better than 50 percent from field all three years, was third in Big Ten in free throw percentages two years ago, best rebounding guard with four a game.

QUINN RICHARDSON (5-11, Jr., Robbins, Ill.) — Reserve guard the last two years, earning one letter, spark plug who gives the team lift when he enters, called on in clutch situations last year for his hustle and outstanding defensive play, good speed, he ran dashes

for Illini track team, strongest player on team despite his relatively small stature.

CRAIG TUCKER (6-1, Sr., Flint, Mich.) — Illini's best offensive player, he can fire from long range or penetrate through an entire defense, had team-high 29 points in one game vs. NCAA qualifier Brigham Young, top scorer last year among returnees with 10.7 points a game, transferred to Illinois after two seasons as an all-American at Coffeyville (Kan.) Community College.

ANTHONY WELCH (6-8, Fr., Grand Rapids, Mich.) — A second-team all-stater in Michigan last spring, averaged 19.6 points, 14.6 rebounds and 3.3 blocked shots a game, shot 52 percent from field and 74 percent from line, missed most of junior season because of broken arm, has grown six inches the last two years and still is just 17 years old.

Cahokia no match for Tri-City's Burton

GRANITE CITY — Led by the clutch hitting of Bob Ford and the stalwart relief pitching of Keith Burton, the Tri-City Triplets defeated Cahokia here Thursday in a tense District 2 contest.

The game was played because of a protest filed by Cahokia in which their manager, Billy McIntyre claimed that his team was not notified that the time of the game had been changed. McIntyre said that they assumed the July 2 game was at 8 p.m., but the game was to be played at 6 p.m.

But Cahokia was there in plenty of time Thursday, as they jumped to a 1-0 lead in the second inning. But the Triplets came right back with a solo run in their second inning to tie the

score. After Ford tripled, Rick Daily singled to knot the contest.

But Cahokia came right back with two runs in the fourth inning to send Triplet starter Randy Cann to an early shower. After Wilkerson, Sweeney, and Millatti all reached base to load the bases, McBride then hit a slow roller back to Cann in the mound, allowing Wilkerson to score.

Enter Keith Burton. The Triplet right hander then coaxed Kolkoff to hit a roller to him on the mound, which the Triplets turned into a well-executed double play. But Millatti scored anyway when Kevin Sykes booted a ground ball. Cahokia led 3-1.

But, as they did the entire night, the Triplets came roaring back with two runs in their fifth inning to knot the score. After Joe Schnefke reached on an error, he then raced to second on a passed ball, and later scored on a Sykes single. Sykes then scored on a triple by John Linhart. The score was tied 3-3.

Cahokia scored a solo run in their seventh inning to once again take the lead off Keith Burton, who relieved Cann; in the fifth inning, But the Triplets were not finished.

Entering the seventh inning down 4-3, Sykes led off with a single and stole second. He then went to third on a passed ball and scored when Linhart reached on an error. Danny Patterson then walked, before Ford cracked a line drive into the right

field corner to score Linhart and give the Triplets the well-earned victory.

Burton picked up the victory for Tri-City in relief of Cann, raising his season record to 6-1. And Manager Eldon Warfield had nothing but praise for the dark-haired pitcher.

"Keith did an excellent job. He came in with the pressure on and did the job. You can't ask for much more," Warfield said. But the Triplet manager was not discouraged by the performance of Cann.

"Randy got off to a shaky start, but we still got four strong innings out of him. I'm just glad that we won the ballgame."

The victory raised the Triplet record to 13-8 in the North Division.

Cougars ready for tough soccer schedule

EDWARDSVILLE — With just 13 days between the first day of practice and the opening exhibition game against the British College Select (BCS) team, Southern Illinois University at Edwardsville head soccer coach Bob Guetler will be hard pressed to find the right combination of talents to prepare for one of the toughest schedules in SIUE history.

The Cougars, who open the season by hosting the

International Invitational Exhibition Soccer Tournament, will battle the BCS team Aug. 26, beginning at 8 p.m. at Cougar Field. Two days after, the Cougars will host Akron University and on Aug. 30, SIUE will end the round-robin tournament with a scheduled 3 p.m. match against the Universities Athletic Union Select team of Britain.

With their final pre-season tuneup Sept. 1, against the SIUE alumni, the Cougars will open their 1981 in-

arm. McDaniel came home with the winning run.

As added insurance, Cooper doubled between the gap in center and left for his second hit of the day. Hayden scored from first. Belleville left the bases loaded in the bottom of the seventh, as Sisk, who had earlier hit into two double plays, grounded out to Miller.

Friday night against Freeburg, Collinsville won 43 on a two-out hit in the seventh. With Steve Bluemner on second, Jack Graham hit a wicked liner to second. The ball took one hop and went into right for a single.

Bluemner scored the winning run. Dave Lambert was the winning pitcher. He allowed

poned the action. Saturday the umpires were 35 minutes late.

But the real story was McDaniel's pitching. McDaniel walked 10, but every time he needed the big pitch he found it. He struck out seven, and had it not been for four seventh-inning walks would have pitched a shutout.

The game was a scoreless contest until the Collinsville sixth. Cooper led off with a single and stole second. With two outs Kent Parker hit a Tony Bedwell pitch over the center fielder's head for an RBI-double.

In the seventh Collinsville struck again. McDaniel reached on an error by shortstop Terry Dobbs. After two were out, Keith Hayden hit the ball to third baseman Jeff Junger, who made an error as the ball rolled up his

eight hits, walked three and struck out five.

Collinsville led 1-0 after baserunner for Collinsville one inning, and tied the score with two walks, two stolen 3-3 on five third-inning

singles.

Cooper was the leading baserunner for Collinsville with two walks, two stolen bases and two runs scored.

Probe cause of GC Steel blast that injured three

By ED GURNEY

The president of Local 16 of the United Steelworkers said last week that it would be unfair to say an explosion at Granite City Steel last week was strictly the fault of the operating crew.

"I believe our men were following the order of the company, and that's all they could do," said the union president, Gerald Teller.

Meanwhile, it was learned that the federal Occupational Safety and Health Administration is investigating the accident.

Three Collinsville men who were members of the operating crew were seriously injured in the July 8 explosion. They are: Nicholas Novosel, 26; Richard Bickel, 32, and Burleigh Hawk, 44.

Novosel was in serious condition and Bickel was listed in critical condition this morning in the burn unit at St. John's Mercy Medical Center in Creve Coeur, Mo. A St. John's spokesman said Hawk has been moved out of the burn unit and is in satisfactory condition.

Teller stressed that the union as well as the company was sad that the accident occurred, and that he is not trying to point the blame. But he said he believed the crew members "weren't to blame any more than anyone else."

Carl Baczenas, public relations director for Granite City Steel said the company's investigation revealed the mistake was made by the entire operating crew.

Members of the crew should have been able to see that slag was being poured into the mold section of the caster, he said.

The slag apparently reacted with water and caused the explosion. Teller said a shroud prevented a ladle operator from seeing that all the steel was poured out of the ladle and that slag, a waste product, was being poured, too.

The shroud was placed between the ladle and the tundish, a type of holding container from which steel is poured into a mold, Teller said.

"At this particular time he (the ladle operator) couldn't tell whether slag or steel was coming out of it," Teller added.

"The man couldn't see a damn thing," another source said.

Teller said that neither Hawk, the strand operator, nor his two assistants (Bickel and Novosel) could tell there was slag in the tundish.

He said Hawk made some comment indicating he may have felt something was amiss; the foreman heard the remark on the radio

intercom and ordered that the operation be stopped, "but that was too late. It blew," Teller said.

The union president said the firm told him this was the first time anyone had experienced with such a shroud in the United States. (The purpose of the shroud was to improve the quality of the steel.)

The caster the men were operating was made in Japan and has been in operation in Granite City since March. Consultants from Japan were there to help make the operation work properly and recommended use of the shroud.

Baczenas said shrouds had been used previously and that use of a shroud was not considered the cause of the accident. "All I can say is as far as I know, nothing was done of an unusual nature that contributed to the accident," Baczenas said.

supervisor for OSHA in Belleville, said his agency's investigation is not complete. An OSHA investigator has made three visits to the steel plant so far, he said.

Teller said that he and company representatives accompanied the OSHA investigator on an inspection.

Olson said the investigation into such an accident "is a very lengthy process" that could take between two weeks and two months.

The process could lead to issuance of citations against Granite City Steel if it is determined that federal safety standards were violated, he said.

Fitness classes at 'Y' planned

The Tri-City Area YMCA will be offering new sessions of Fitness Fantasy (aerobic dancing) starting July 27, for four weeks.

Evening classes will be offered on Mondays and Wednesdays from 7 to 8 p.m. and 8 to 9 p.m.; Tuesday and Thursday classes will also be offered from 7 to 8 p.m. and 8 to 9 p.m. Elaine Svezia will instruct the Monday and Wednesday classes and Becky Holland will teach the Tuesday-Thursday classes. The classes are July 27 to Aug. 20.

Enrollment in all classes is limited and registration is taken on a first come-first serve basis.

Interested persons may register at the 'Y' or by mail.

Fall quarter registration to open at SIUE Sept. 22

Registration for fall quarter at Southern Illinois University at Edwardsville will officially begin Sept. 22, according to Eugene Magac, director of the Office of Admissions and Records.

Registration by appointment only will be Sept. 22 from 8:30 a.m. until 9 p.m. and Sept. 23 from 8:30 a.m. until 1 p.m. Walk-in registration (without an appointment) is scheduled Sept. 23 from 1:15 until 9 p.m. and Sept. 24 from 8:30 a.m. until 9 p.m.

Registration during these three days will be held in Meridian Ballroom in the University Center and will remain open longer than usual to accommodate working people who find it difficult to register during the day.

Students will also have the

opportunity to register late Sept. 28 and 29 from 8:30 a.m. until 7 p.m. in the Rendeman Building lobby, with limited services available. No registration will be permitted after that date, Magac said.

Fall quarter classes begin Sept. 28 at 7:30 a.m.

Individuals wishing to enroll in classes this fall must be officially admitted to the University before they attempt to register. Applications for admissions and additional information may be obtained at the Office of Admissions and Records or by telephoning (618) 695-2720.

Cynthia Johnson to give recital

Cynthia L. Johnson of Granite City will be presented in her graduate recital, Sunday, Aug. 2 at 3:30 p.m. in Lovejoy Library auditorium at Southern Illinois University at Edwardsville.

A student of piano, she will be assisted by Karen Sandefur, mezzosoprano, and Daniel Pickett, tenor. The

program will include works by Domenico Scarlatti, Joseph Haydn, Gabriel Faure, Aaron Copland, Benjamin Britten, and Dmitri Kabalevsky. The recital is presented in partial fulfillment of the requirements for the master of music degree in performance.

Wallace-Zelenka

Miss Ellen Ruth Zelenka and Sidney Joseph Wallace exchanged wedding vows in an evening ceremony on June 19 at Sacred Heart Catholic Church.

The Rev. Seamus Shortall officiated at the double ring ceremony at 7:30 o'clock. The bride is the daughter of Mr. and Mrs. Thomas Zelenka, 2678 Iowa St. Parents of the groom are Mr. and Mrs. James L. Wallace, 2117 Ames Ave.

Escorted to the altar by her father, the bride wore a full length white chiffon over taffeta gown featuring a chapel train and Queen Anne neckline with Venice lace trim. The full bishop sleeves were also trimmed with Venice lace.

She chose an open crown headpiece of lace and seed pearls to secure her fingertip veil of bridal illusion with Venice lace motifs scattered over the veil. She carried a bouquet of peach and white

roses intermingled with baby's breath. Maid of honor, Miss Elizabeth Zelenka, sister of the bride, wore a yellow organza gown with fitted bodice and round neckline. The bishop sleeves and lower tiers of the skirt were trimmed in embroidered eyellet. Her bouquet was an arrangement of yellow and white roses with baby's breath.

The groom chose his brother, Tim Wallace, as best man.

Miss Anne Henke, soloist, sang several nuptial selections and was accompanied by the organist, Mrs. Linda Slover, a classmate of the bride.

Miss Michele Zelenka, another sister of the bride, presented the readings at the ceremony and attended the guest book.

A reception was held, following the ceremony, at the VFW Hall, Granite City. The groom graduated from Granite City South High School in 1972 and is employed at the McDonnell Douglas Corp.

A 1977 graduate of Granite City South High School, the bride is a senior nursing student at Belleville Area College and is employed at Firmin Desloge Hospital on the medical surgical floor. The newly married couple are residing in Granite City.

Mr. and Mrs. Sidney Wallace

Auxiliary 204 donates \$400

Madison Amvets Auxiliary 204 members agreed to donate \$400 to the John Cochran Veteran's Hospital in St. Louis, during a meeting held at the Amvets Post, last week.

The donation was for the veteran's hospital and to purchase coupon books for the veterans to use for their personal needs, according to President MaeJean Adams.

The meeting was opened with the pledge to the flag followed by Chaplain Dorothy Mercer reading the

Amvets prayer.

During the session Mrs. Adams gave a report on the state convention she attended in Peoria, Ill. She announced an executive meeting will be held at the post home at 6 p.m. on Aug. 4, preceding the regular monthly gathering.

Refreshments were served to those named and to Laurie Griffith, Hilda Gravelle, Carolyn Gerlach, Nell Holshouser, Norma Diak, Evadine Gravelle, Theola Garcia, and Juanita Modruic.

Mr., Mrs. Delaloye home from vacation

Mr. and Mrs. Herman Delaloye, 2993 Washington Ave., have returned home following a three week vacation visiting their son and daughter-in-law, Army Sergeant First Class and Mrs. Thomas A. Delaloye at Fort Eustis, Va., and touring historic sites.

The local vacationists took

a cruise to Newport News, Va., and Norfolk Naval Base, where they viewed many ships in the harbor there.

Other interesting sites included Busch Gardens in Williamsburg, Va., Virginia Beach, and Langley Air Force Base Nasa Center.

Kelly-Ficor

The engagement of Miss Debra Kay Ficor and Ronald Eugene Kelly is being announced by the bride-elect's parents, Mr. and Mrs. Frank Ficor, 2921 Grand Ave.

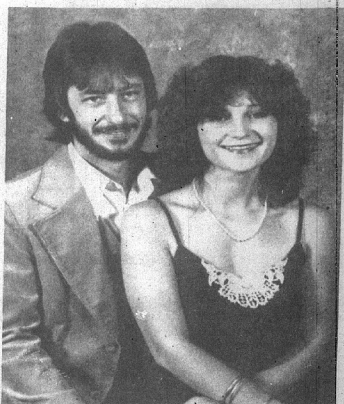

Parents of the groom-elect, Mr. and Mrs. Leo Kelly, reside at 5295 Wayne Ave.

Miss Ficor graduated from South High School and attended Belleville Area

College. She is presently employed as a unit clerk at St. Elizabeth Medical Center.

Her fiancé is working as a gas fitter for Illinois Power East St. Louis. He graduated from South High School and is a member of the Ancient Order of Hibernians.

They plan to be married on May 1, 1982, at Sacred Heart Catholic Church.

Insurance is topic of AARP

Among the guests welcomed to the July meeting of the American Association of Retired Persons, Chapter 1340, was a visitor from Gladstone (Mo.) Chapter 2970, Mrs. Mary Scheub who is visiting her sister, Mrs. Hazel Atchison.

She met many friends in the area and it was noted her parents operated the Barnwell confectionery on Illinois Avenue many years ago. Mrs. Scheub is a member of the board of directors of the Missouri chapter of AARP.

President David John opened the meeting with a prayer and pledge of allegiance, and introduced Delores Jones, regional field representative of Prudential Insurance, Chicago, who spoke on the conversion of the AARP Group Health Insurance. After her talk she answered questions from the audience in relation to their coverage.

During the business segment, Mrs. Helen Bergfield read the correspondence and minutes of the June meeting. Clara Schilling gave the financial report, and Oscar Ash announced the Senior Olympics will be held in Springfield, Ill., on Sept. 25, 26, and 27. He also spoke on the Illinois legislation work.

Mike Lombardi reported that there is now 14 men on the palbearers committee and they have served at eight funerals, and added all local funeral homes have been advised that they are available.

New members, John and Florence Hillick, Thomas and Mary Bricker, Hazel Stagg, Irene McCardle, Pauline Rickert and Wilma Opich, were introduced by Margie Hall.

Rebecca Parish and members whose names began with the letter B, were accorded recognition for arranging the refreshments.

In other business, Clyde Myers and Caroline Lux gave a review of the attendance, and Art Lindner and Juanita Crawley told of forthcoming trips available to the membership.

Prizes for the day went to Frederick Harris, Mrs.

Crawley, Charlotte Smith, Mrs. Hall, Fred Bilyeu, Irene McCardle, Nora King, Albert Peroka, Sally Gracey, Harry Birkbiller, Willard Golden and Dorothy Motosgood.

The president announced there will be no August meeting but the board will meet on Aug. 19, at 9:15 a.m. with the next session scheduled for Sept. 9.

Brown family reunion held

Dave and JoAnn Cook and daughters, Lea Ann and Karl Jo hosted an outdoor barbecue at their home, 1623 Minerva Ave., during the weekend to honor his parents, Sid and Doris Kordaz of Baltimore, Md., who have been here on a two week visit.

Those attending were John and Rita Wideman of Holiday, Fla., Johnny and Judy Wideman of St. Charles, Mo., Bill and Marlene Brown and son Billy, Denny and Charlayne Asbeck and children; Heather, Shawn and Stephen, all of Granite City; Mack and Mary McKindon and daughter Peggy, Cindy Martin and daughters Amy and Stacy and Barbara Fulmer of Mitchell.

Mr. and Mrs. Nail announce daughter

Mr. and Mrs. Charles (Terri) Nail, 2414 Grand Ave., are announcing the birth of their second child, a girl, born on July 15 at Oliver C. Anderson Hospital, Maryville.

The new arrival has been named Jaclyn Sue and she weighed nine pounds, two ounces.

She has a 4-year old brother, Brian Eric Nail. Grandparents are Mr. and Mrs. Howard Nance of Granite City, and Mr. and Mrs. Charles Nail, St. Louis. The great-grandmothers are Mrs. Hilda Pace of Arkansas and Mrs. Reva Nail of Missouri.

HEALTH WISE
BY DR. E. L. STROTTHIDE
CHIROPRACTIC PHYSICIAN
Every year in the United States, millions of patients turn to Doctors of Chiropractic for relief from suffering that other healing techniques have failed to provide. However, many people are not yet familiar with the place chiropractic occupies in the healing arts.
People know less about their bodies than they know about their automobiles or their TV sets. This is unfortunate because everyone should know how chiropractic can relieve pain and make sick people well, without the risks of surgery or the use of drugs. Chiropractic could add years to YOUR life!
Each week in this column we will provide information on chiropractic and its healing capabilities. For more specific information, call our office for an appointment.

Remember, your air conditioner needs AIR!

Three steps to cut cooling costs

You'll enjoy your home more this summer if you know you're keeping cool without squandering energy. Keep in mind that an air conditioner needs—what else?—plenty of air to operate efficiently. Keep the air flowing freely through your air conditioner and you'll save energy and have fewer maintenance problems.

Keep grill clean

Take a frequent look at the outdoor unit of your central air conditioning system. Keep the grill clean by removing leaves, dust and pollen with a brush.

Trim shrubs so air can circulate

In hot weather, fast-growing weeds and shrubs can choke off air circulation to the unit in a few days, so keep the greenery trimmed. Shrubs or ivy can cut off air to a window unit, too.

Change filters regularly

Also remember to change the filter on your air conditioner frequently because air can't circulate through a clogged filter. During heavy use, change filters once a month.

Augusto-Lassen

Miss Karen Lee Lassen, daughter of Mr. and Mrs. Floyd Lassen, 1822 Fourth St., Madison, became the bride of Joseph Steven Augusto, son of Mr. and Mrs. Joseph Augusto, 81 Perry Ave., Somerset, Mass., on June 27, at the First Baptist Church in Madison.

Burning tapers in branch candelabra and floral arrangements of blue and white daisies decorated the sanctuary for the double ring ceremony performed at 7 o'clock in the evening by the Rev. Richard Dillender.

Organist Beth Potillo played "Jesu, Joy of Man's Desiring," "The Wedding Song," and Prelude in C. For her wedding, the bride chose a full length white A-line design gown in glana knit accented with Venice lace, edged with pearls, on the fitted bodice, high neckline and sheer yoke.

The long tapered sleeves featured net and lace inserts and the full skirt extended into a chapel train applied with Chantilly lace motifs.

She wore a camelot cap trimmed with seed pearls to hold in place her fingertip veil bordered with Venice lace. Her bouquet was an arrangement of white silk roses, daisies and baby's breath.

Maid of honor was Miss Shannon Elmore. She was groomed in a floor length pastel blue dress designed in a A-line style with side pleats.

and a draped bodice worn with a chiffon cape.

She carried a bouquet of daisies, baby's breath, blue flowers and a touch of purple statice.

The groom chose Donald D'Santi as best man and Larry Lassen, a brother of the bride, served as usher.

For her daughter's wedding, Mrs. Lassen selected a full length pastel rose gown featuring long sleeves and wore a corsage of pink rosebuds with baby's breath.

The groom's mother, was attired in a floor length pale blue dress also fashioned with long sleeves. Her corsage was made up of white rose buds and sprigs of baby's breath.

Guests were received at a reception held at Augustine's Restaurant in Belleville, with Leslie Harper, a cousin of the bride, presiding over the guest book. The groom's parents entertained members of the wedding party at a rehearsal dinner served at Walton's in Belleville.

She was a Madison High School graduate and attended Southern Illinois University at Edwardsville.

A 1973 graduate of Somerset High School, the groom also attended Bristol Community College. He is employed as an engineer for Fall River Cable Co., Somerset, Mass., where they now reside.

Hale-Fenton

Mr. and Mrs. Norman Fenton, 2416 Grand Ave., are announcing the engagement of their daughter, Miss Teresa Fenton to Marine Corporal K. D. Hale.

The groom-elect is the son of Mrs. Joyce Hale and Mr. and Mrs. Don Hale, all of East Alton. He is presently serving with the U.S. Marine Corps in Los Angeles, Calif., and is a 1976 graduate of the

East Alton-Wood River High School.

Miss Fenton was graduated from South High School in 1976, and is currently employed at Mercantile Bank, St. Louis.

The engaged couple are completing plans to be married on Aug. 29 at the Spring Street Assembly of God Church.

Donna Wilson

Funk-Wilson

Plans for the autumn wedding of Miss Donna Lynn Wilson and Alan Keith Funk were disclosed with the engagement announcement by the bride-to-be's parents, Mr. and Mrs. Don M. Wilson Sr. of Madison.

Miss Wilson graduated in 1979 from Madison Senior High School.

Her fiancé is a 1977 Alton Senior High School graduate and is currently serving with the U.S. Air Force at Davis-Moan AFB in Tucson, Ariz.

He is the son of Mrs. Jeanie Agee of Alton, and Keith Funk of Indianapolis, Ind.

The betrothed couple are completing plans for a Sept. 5 wedding to be solemnized at the Spring Street Assembly of God Church.

REPORTS FOR DUTY

Mr. and Mrs. Donjoian mark 60th anniversary

Mr. and Mrs. Toros Donjoian, 1745 Poplar St., celebrated their 60th wedding anniversary at party given in their home, arranged by their children.

The couple, who are of Armenian ancestry, were married on June 27, 1921, in Istanbul, Turkey, shortly before their arrival in the United States.

They were toasted with champagne and presented with gifts. Following the toast, a multi-course Armenian meal was served with a three layer cake as dessert.

Hosts for the event were Mrs. Arthur (Vikki) Bedeian of Memphis, Tenn., Mrs. Larry (Nikki) Reed of Lake St. Louis, Miss Margaret Donjoian also of Memphis, Miss Iris Donjoian of Anaheim, Calif., and George Donjoian of Gardena, Calif.

Other family members present for the festivities were two of the grandchildren, Jeff Reed of Lake St. Louis and Susanne

Bezirjan of Irvine, Calif., their great-granddaughter Katherine Nicole Bedeian of Auburn, Ala., Mrs. Salanich Bogosian, Mrs. Violet Donjoian West and daughter Denise, Mr. and Mrs. Naz Donjoian and family, and Mr. and Mrs. Harry Bogosian all of Granite City. Mr. and Mrs. Joseph Augusto

Mr. and Mrs. David Schildman

Schildman-Evans

Miss Cynthia Dawn Evans, daughter of Mr. and Mrs. Jack Nugent, 2241 Dawn Place and David Michael Schildman, son of Mr. and Mrs. Robert Schildman, 2140 Benton St., exchanged wedding vows in an early evening ceremony in an outdoor setting at the home of the bride's parents on June 20.

Greenery and peach wedding bells decorated the wedding arch for the 6 o'clock ceremony performed by the Rev. James Brown. Blooming spring flowers in tall containers were placed on the patio where the Organist Patricia Dineff played nuptial music. Selections included "Love Story," "Colour My World," and "Because."

Escorted and given in marriage by her father, the bride chose a formal gown of ivory organza fashioned with long lace sleeves, an empire bodice designed with a sweetheart neckline accented with Venice lace.

The skirt fell softly from the high rise waistline and was appliqued with matching lace.

She wore an ivory lace

camelot cap to hold in place the scallop fingertip veil of bridal illusion. Her bouquet was an arrangement of peach and white roses intermingled with ivory baby's breath and tied with ivory lace ribbon. All the floral bouquets were created in silk flowers by the bride's mother.

Miss Carla Evans, a sister of the bride, was maid of honor and Carolyn Schildman, the groom's daughter, served as the junior bridesmaid. Nichol McCutcher, the bride's niece, was the flower girl.

They were gowned alike in full length peach color dresses featuring pleated bodices with spaghetti straps and gathered skirts.

The attendants held miniature bouquets identical to the brides and the flower girl carried a wicker basket filled with peach rose petals.

Brian Cavanaugh attended the groom as best man. Martin Evans, a brother of the bride, was the groomsmen and Robbie Odom served as ringbearer.

Michelle Evans, another sister of the bride, attended the guest book.

A barbecue was hosted by the groom's parents for the wedding party following the rehearsal.

Guests were received by the newlywed couple at a reception held at the American Legion Hall.

Both young people are graduates of South High School. The bride is employed at the Granite City Army Installation as a secretary and her husband works at Barry-Wehmiller in St. Louis.

They are residing in Granite City following a wedding trip to the Missouri Ozarks.

Cards of Thanks 31

We wish to take this opportunity to thank everyone who was so kind and thoughtful during the illness and loss of our daughter, Eugenia Griggs. Perhaps you sent a lovely card, telegram or called on the phone; perhaps you sent a floral piece, or prepared or sent food; perhaps you drove your car or sent a donation; if so, we saw it there; perhaps you were not there at all, just sat quietly in a chair and whispered a silent prayer as your thought of us that day. What ever you did to ease our pain and console our hearts, our sincere thanks and may God bless you all.

THE WILLIAM E. GRIGGS and THE WILLIAM JENKINS FAMILIES

Memorials 32

NOTICE FOR PUBLICATION

TO: EUGENE MILLER, FATHER OF MICHAEL MILLER, A MINOR 81-J-381 ADDRESS UNKNOWN and to All Whom It May Concern.

Take notice that on the 15 day of July, 1981 a petition was filed under the Juvenile Court Act by Attorney Atty. Randy G. Massey in the Circuit Court of Madison County entitled "In the interest of Eugene Miller, a minor", and that in Circuit courtroom at Edwardsville on the 28 day of July, 1981 at the hour of 2:00 P.M., or as soon thereafter as this cause may be heard, an adjudication hearing will be held upon the petition to have the child declared to be a ward of the court under that Act. The court has authority in this proceeding to take from you the custody and guardianship of the minor. Now, unless you appear at the hearing and show cause against the petition, the petition may be taken for confessed as against you and each of you, and an order, judgment or decree entered.

Willard V. Portell, Clerk

Dated: July 16, 1981.

by Vera Svoboda, Deputy No. 46

Madison crime down 10 percent

The six month crime statistical report for the city of Madison shows a 10 percent decrease in crime from January until June 1981, compared to the same time period in 1980.

Fine money collected is up from \$7,877, January until June 1980, to \$9,165 for the same period of 1981.

The month of June 1981 showed a 23 percent decrease in crime, compared to June 1980.

With the 1980 figure first, followed by the 1981 figure, the seven major crime comparison figures are: criminal homicide 1-0, down 1; forcible rape 2-1, down 1; robbery 3-0, up 3; assault and battery 39-43, up 4; burglary 56-44, down 12; theft 57-60, up 3; auto theft 21-9, down 11.

Total major crimes were 182-183, down 19.

During the first six months of 1981 Madison police made 135 arrests other than traffic, and 214 traffic arrests and 46

juvenile detentions.

Police log complaints investigated totaled 4,518.

Total accidents reported were 112, motor vehicle accidents 96, pedestrian accidents 6, and one fatality.

Detective division, total number of cases referred to investigators 42, total cases cleared 24, total cases investigated (major and misdemeanor) 43.

Total number of juvenile offenses including felonies, misdemeanors and traffic 50, juvenile detentions 47, offenses investigated by police patrol 50, offenses referred to juvenile officer by patrol 4.

The alarm division had a total of 926 miscellaneous alarms, 346 accidental alarms, 14 fire alarms, 225 trouble alarms and no holdup alarms.

The six month report was prepared by Phyllis Moore, records officer, and, L. L. Bridick, chief of police.

Approves refund policy for 1981 Illinois fair

Governor James R. Thompson has signed legislation allowing the Illinois State Fair to provide refunds for cancelled State Fair entertainment attractions and to expedite payment for awards and premiums.

These reforms will be made possible by establishing an imprest account. The awards and premiums payment procedures will be in place for this year's fair. The refund policy for entertainment will start with the 1982 fair.

"One of the biggest complaints we hear from exhibitors at the fair is slow payment on awards and premiums," the governor said. "This legislation corrects that and also substantially reduces the paperwork needed to make the awards."

"I am also very pleased that we will have a refund policy in place for entertainment starting next year. If people pay for a show, they should either see it or get their money back."

Deadlines for ticket printing, brochures, contracts and programs for entertainment prevented the refund policy from being in place for this year's fair.

H.B. 1172 was sponsored by Representative Judy Koehler, Henry, and Senator Roger Sommer, Morton.

HOLLYWOODING

Heeere's Johnny with 'Dunces'

By JACK MARTIN

HOLLYWOOD — Johnny Carson will make his debut as a big-time movie mogul with the Pulitzer Prize-winning novel "A Confederacy of Dunces," by the late John Kennedy Toole.

The highly acclaimed comic novel (called "one of the funniest and finest books ever written" by The New Republic) has been owned for two years by 24-year-old Scott Kramer who brought it to Carson's attention and will produce the movie for the comedian's film company.

Casting, at this point, is a bit premature, but Kramer allows that "Richard Pryor and Shelley Winters would be perfect."

Following "Confederacy of Dunces," young Kramer will produce an original screenplay titled "Take a Flying Leap," which will be based on the real life and defection from Russia of ballet superstar Alexander Godunov.

Kramer's fiancée, Lori Rodkin, is now acting as personal manager for Godunov (see how it all ties in?) and has also just set writer Solomon Bolkov to write the dancer's autobiography. Rodkin has also just enrolled Godunov in acting classes with the esteemed coach Stella Adler in New York in hopes that he will be able to play himself in the movie when it is filmed late next year.

New York Sightings: Tatum O'Neal and Joanna Moore being turned away from the plush and popular

"21" because they were both wearing trousers. Not discouraged (and very hungry) the glamorous mama and daughter wound up for lunch at the even more popular Russian Tea Room where they linked up with The Room regulars like Dustin Hoffman, comic Alan King, Walter Matthau, Woody Allen and Sigourney Weaver.

Tatum is in Manhattan looking for an apartment as she wants to move there for a year or so and study acting at the Actors Studio. And, of course, it doesn't exactly hurt that she has a steady boyfriend in town — rock singer Rex Smith who's currently starring on Broadway in the smash Gilbert and Sullivan revival "The Pirates of Penzance."

Also looking for a pad in The Apple: Raquel Welch and her husband Andre Weinfeld.

Into their second year of unwedded bliss: 60ish singer Margaret Whiting and porno superstar Jack Wrangler who's in his late 20s.

Meanwhile back in Hollywood: Barbra Streisand and Diane Keaton are both hot to have Alan Pakula direct them in movies. Streisand wants Pakula for "The World's Oldest Living Bridesmaid," and Keaton would like him to helm her in "Benefit of a Doubt."

But first the sought-after director will film last year's best-selling "Sophie's Choice" for Producer Keith Barish. That's the one Oscar-winner Tim Hutton says he'd "kill to be in."

Actor Michael Douglas says his primo choice for the leading lady in his "Romancing the Stone" movie he's producing for Columbia is Sally Field.

Natalie Wood (who'll be featured this year in the prestigious Blackgama "What Becomes a Legend Most" ad) wants Herb Ross to direct her in a film biography based on the life of Zelda Fitzgerald. But first
